THE KANSAS GIRL

She Is Not the Least Wonderful Product of

The young Kaneas farmer goes out into the fields at daylight, and by alghtfall has crithed 130 bushels of corn. The young man's sister can play the plane, do the housework, and ir busiest times goes out with the men and does so much work as to astound her best friends. A protty Dickinson County girl, aged fifteen, drove a self-binder ofer 1,200 acres and took care of the four horses hitched to the machine. During the spring she helped to plant a family of seven, went to ten dances, tried twice to elece, taught the most tateresting class in the Sunday-school, and now talks of going to Africa as a missionary, and says if the Lord speaks up loud enough she will go among the lepers.
A Brown County girl looked after her

father's grape patch of ten seres, pleked the apples on 1,000 trees, and when her parent pecketed \$5,000 from the sale of the fruit, dil not ask for any of the money-because she know she ance arinciples, can play tennis, row a countr.

Another young woman living in Irving township worked in the harvest-field as well as a man, herded cattle and sheep for several commers, and this winter will teach school. She has three young
